

# Neuroscience Summit 2016

Monday, February 8

- 8:30-9:00 am      *Coffee and registration – Amherst Room, 10<sup>th</sup> Floor of Campus Center*
- 9:00-9:05 am      **Welcome –**
- **Katherine Newman** – *Provost and Senior Vice Chancellor for Academic Affairs*
- 9:05-9:10 am      **Charge for the Summit –**
- **Steve Goodwin** – *Dean, College of Natural Sciences*
- 9:10-9:15 am      **Introduction to UMass Amherst Neuroscience –**
- **Sally Powers** – *Associate Dean, College of Natural Sciences*
- 9:15-9:45 am      **Neuroendocrinology -**
- **Luke Ramage-Healey** – *Assistant Professor, Department of Psychological and Brain Sciences*
  - **Joseph Bergan** – *Assistant Professor, Department of Psychological and Brain Sciences*
- 9:45-10:15 am      **Circuits, Computation & Cognition –**
- **David Moorman** – *Assistant Professor, Department of Psychological and Brain Sciences*
  - **Rosie Cowell** – *Assistant Professor, Department of Psychological and Brain Sciences*
- 10:15 -10:45 am      **Models of Brain Dysfunction & Disease –**
- **Gerald Downes** – *Associate Professor, Biology Department*
  - **Mariana Pereira** – *Assistant Professor, Department of Psychological and Brain Sciences*
  - **Rebecca Ready** – *Director of Clinical Training, Department of Psychological and Brain Sciences*
- 10:45-11:15 am      **Neuroscience of Development & Aging –**
- **Jennifer McDermott** – *Assistant Professor, Department of Psychological and Brain Sciences*
  - **Agnés Lacreuse** – *Associate Professor, Department of Psychological and Brain Sciences*
- 11:15-11:45 am      **Introduction –**
- **Michael Malone** – *Vice Chancellor of Research and Engagement -*
  - **José Lemos** – *Professor, Microbiology and Physiological Systems, UMass Med School*
- 11:45 am-12:30 pm      **Brief presentations on the Future of Neuroscience:**
- **Gregory Ball** - *Dean, College of Behavioral and Social Sciences, University of Maryland*
  - **Sheri Berenbaum** – *Professor of Psychology and Pediatrics, Penn State University*
  - **Marvin Chun** - *Professor of Psychology, Yale School of Medicine, Professor of Neurobiology, Yale College Cognitive Science Program*
  - **Philip Haydon** - *Annetta and Gustav Grisard Professor of Neuroscience, Tufts University*

# Neuroscience Summit 2016

Tuesday, February 9

- 2:00 pm            **Welcome - Provost Katherine Newman**  
*Amherst Room, 10<sup>th</sup> Floor of Campus Center*
- 2:05 pm            **Advisors' Presentations: Recommendations for growth of neuroscience research and training at UMass Amherst**  
*(four 15 minute presentations)*
- **Gregory Ball** - Dean, College of Behavioral and Social Sciences, University of Maryland
  - **Sheri Berenbaum** – Professor of Psychology and Pediatrics, Penn State University
  - **Marvin Chun** - Professor of Psychology, Yale School of Medicine, Professor of Neurobiology, Yale College Cognitive Science Program
  - **Philip Haydon** - Annetta and Gustav Grisard Professor of Neuroscience, Tufts University
- 3:15 pm            **Open Discussion with Advisors**
- 4:20 pm            **Concluding Remarks - CNS Dean Steven Goodwin**
