

SCHOLARSHIPS TO SUPPORT CNS INTERNSHIPS

Deadlines may have changed. Click “Application” for the most recent information.

Also check for updates at <http://umass.academicworks.com>

Maureen Flanagan Fund Scholarship

[Application](#)

Supports student opportunities that go “above and beyond the college experience.” Opportunities can be **unpaid or under-paid** summer **internships**, research, study abroad, alternative Spring breaks, community service, or other initiatives that complement and enhance the student’s chosen course of study. Prepare a 1-page proposal describing initiative, how it supports your field of study, and estimated costs. Preference is given to undergraduate **women** with demonstrated financial need. FAFSA submission required.

Average award: \$3800 total, but varies with number of recipients and strength of proposals.

Deadline to apply: March 31. (Applications accepted starting January 1).

Life Members Internship Scholarship Awards

[Application](#)

Supports undergraduate students pursuing an **unpaid summer internship**. Applicants must have already applied to an unpaid internship opportunity for the summer. Must be a first year, sophomore or junior, with a minimum GPA of 3.0.

Award: \$2000 stipends, awarded to 3 students.

Deadline to apply: End of January.

UMass Amherst Life Sciences Alumni Network Scholarship

[Application](#)

Supports undergraduate students seeking opportunities to connect their academic achievements, campus involvement & community service to their career aspirations in the **life sciences**, including via internships. Award can be applied to tuition. Must be a sophomore with a minimum GPA of 3.5.

Award: \$1000 stipend, awarded to 1 student.

Deadline to apply: End of January.

Evans Family Scholarship for Environmental Conservation

[Application](#)

Recognizes exemplary work on any aspect of the **environment**, completed as part of the student’s studies. **All areas of study** – including internships -- are eligible and may range, for example, from a painting or photograph, to poetry, policy or business models, or research into the changing migration of butterflies. Must be a second-semester **junior** in good standing, with a minimum GPA of 3.7. All such students are eligible, but preference will be given to students in the Commonwealth Honors College. A letter of recommendation from a faculty member is required.

Award: \$1000 applied to senior year tuition.

Deadline to apply: End of February.

Randolph and Cecile Bromery Undergraduate Scholarship

[Application](#)

Supports one or more UMass undergraduate **Geology or Earth Systems** majors. Can be used to fund field research or to support a **summer internship**.

Average award: \$5000 per year across one or more students

Deadline to apply: Mid-April

Merriam Internship Award

[Application](#)

Supports students taking summer or semester-long internships in **public policy, law, ecological conservation, and/or real estate development**. Preference will be given to juniors who have financial need as determined by the UMass Amherst Financial Aid Office. Candidates must be in good academic standing with a cumulative GPA of at least 3.0. Preference given to students with a confirmed internship offer. Please note: seniors graduating in Spring are not eligible to apply.

Average award: Two awards of up to \$1,500 will be made in the Spring.

Deadline to apply: End of March? for Summer or Fall internships

Jack M. Wilson Presidential Scholarship

[Applicaton](#)

Recognizes undergraduate and graduate students who demonstrate academic excellence and a passion for **public service**. Preference given to business, engineering, and **physics** majors. Preference given to **students of any major who plan to study abroad**. Must have earned a minimum of 15 credits and have a cumulative GPA of 3.25. Must have 2 letters of recommendation.

Award: Varies.

Deadline to apply: Late January.

Kathryn F. Furcolo Awards

[Application](#)

Recognizes students who participated in an unpaid internship in **public service or government**, and who demonstrate outstanding service to the community. Applications are submitted *after* students have *completed* their internships. All majors eligible, but application is by invitation only. Central Career Services will contact eligible students in early March to apply.

Award: \$2100 divided by number of winners.

Deadline to apply: Late March.

Dempsey Opportunity Fund for BDIC

[Application](#)

Supports **BDIC** (Bachelor's Degree Independent Concentration) students pursuing internships in their area of concentration. Must be a freshman, sophomore, or junior, and apply in Jan/Feb.

Award: \$1000

Deadline to apply: Late February

Frank and Helen DiGiammarino Scholarship Fund

[Application](#)

Supports **Commonwealth Honors College students** planning to pursue an intensive community engaged learning or research experience over the summer or during the academic year. Eligible experiences include community service learning internships, community-engaged research, or other projects that demonstrate value to a community and learning experience for the applicant. Must be a CHC student with a minimum GPA of 3.4 and be ready to work on a faculty supervised community-based research project.

Award: \$2500 stipend

Deadline to apply: End of February.
