

CNS Professional Development Fund Recipients Fall 2018

Chris McDaniel, *Chemistry*

Granted the award to attend and present his work at the ACS 257th National Meeting and Exposition in Orlando, FL, that explored new frontiers in chemistry.

Lara Al-Hariri, *Chemistry*

Received the award to attend the OLC "Online Learning Consortium" Accelerate conference in Orlando, focused on the uses of educational technology, accessibility, gamification, and open resource in eLearning.

Weiguo Hu, *Polymer Science and Engineering*

Granted the award to attend the 2019 Experimental NMR Conference (ENC)—which hosts the most important developments and discoveries in the field of NMR—and Bruker pre-ENC User Meeting in Pacific Grove, CA.
