

THE COLLEGE OF
**NATURAL
SCIENCES**

Why do you want to go into the health field?

When you apply for medical, dental, PA school, etc., what three things do you want the graduate school admissions committee to know about you?

- 1.
- 2.
- 3.

List the experiences and accomplishments you have in the following areas:

Scientific Rigor	Knowledge of the Field	Commitment to Community
<ul style="list-style-type: none">• Required coursework completed with strong grades• High scores on entrance exam	<ul style="list-style-type: none">• Direct patient care• Shadowing and manual dexterity (for dental school)	<ul style="list-style-type: none">• Continued history of service both to UMass and off campus

What are your areas of strength?

What are your areas of opportunity?

Do the experiences you have listed readily demonstrate the three things that you want the admissions committee to know about you?

What can you do this summer and over the coming years to fill in any gaps that you've found and to continue the good work that you've begun?
